

Actiwatch and Actical Bibliographies for Animal Research

This bibliography contains references that have been sent to us and citations for abstracts from scientific meetings.

If you have used the Actiwatch or Actical in your animal research, we would appreciate receiving reprints if available, and if not, the full citation. Please email them to jessica.wojdak@respironics.com. Please send reprints to Jessica Wojdak, Respironics, 20300 Empire Avenue, Bldg. B-3, Bend, OR 97701, USA.
